

Positive Behaviour Training: Level One

Delivered by our own Team Teach Accredited Intermediate Instructors, bringing a range of expertise in managing challenging behaviours and supporting behavioural change. All of our trainers are based daily within an SEMH setting, whilst also supporting staff and pupils at our mainstream, federated schools.

Team Teach, believe that all behaviour is communication being driven by experiences and emotions. We deliver a toolkit approach that is 95% understanding behaviours and encouraging de-escalation. The 5% assesses the need for physical intervention.

Who is this course for?

Anyone who is operating in a low-risk primary or secondary school setting would benefit from this course, which offers a grounding in positive behaviour management strategies applicable across these environments.

Learning Outcomes

Participants will learn how to:

- Increase understanding and awareness of behaviour as communication and develop a framework to better respond to reduce risk.
- Create a greater team dynamic in supporting individuals who are distressed with approaches that have impact and strengthen relationships.
- Utilise a toolkit of holistic strategies on de-escalation and crisis intervention, both verbal and non-verbal for supporting with disruptive and distressed behaviours.
- Execute simple and safe positive handling techniques including personal safety, appropriate for a low-risk environment (if required by your setting). Our techniques are situated within a respectful, supportive approach to behaviour support strategies which maintains positive relationships.
