

ADHD Assessment pathway

ADHD Referral: GPs can do this electronically. Health professionals or young person call the CAMHS SPA or complete the online referral form

Referral is screened and receipt of referral is communicated to the YP within 10 days

Triage appointment is offered (usually within 10 weeks)

If ADHD risk factors are identified

ADHD screening assessment packs completed by school and YP/parents

Screening packs reviewed by the ADHD MDT

Criteria for assessment is met

yes

no

Clinic letter detailing the decision and any appropriate signposting.

Assessment process starts

MDT meeting to assess findings against the ADHD diagnostic criteria
