

EARLY YEARS COMMUNICATION TRAINING

New 2024 DATES for the Virtual Early Years Communication Training are now available for ALL Early Years Practitioners, working with children aged 0 – 5 years.

This is FREE training !!! Contact us now to book your place !

What is covered on the training course?

Session 1 Typical speech, language and communication development

Session 2 Positive approaches to support communication

By the end of Session 1 session, participants will:

- Have an awareness of the current context relating to Speech, Language and Communication Needs (SLCN).
- Have knowledge of speech, language and communication developmental milestones in children aged 0-5 years.
- Profile a child's speech, language and communication development.
- Have an understanding of universal, targeted and specialist levels of provision.

By the end of Session 2, participants will:

- Have an awareness of strategies to support all children's communication development at the universal and targeted level.
- Consider the role of the environment in supporting speech, language and communication
- Develop understanding and awareness of resources and considerations for running successful language groups

Please see below for our Virtual Session Dates and Times:

Please note attendees must attend both sessions in the group to complete the training
